Re: Factual Correction to Consulting Party Request Letter for the Nike Site  
Summit Project Near Anchorage, Alaska

Dear Mr. Lucht,

Please note the following factual correction to our letter dated August 28, 2008:

We mistakenly indicated that a recent report on Nike Site Summit was prepared by the National Park Service upon request of the Advisory Council on Historic Preservation. This report was, in fact, prepared by the Alaska Region of the National Park Service upon request from the U.S. Army.

We do apologize for the error. Please do not hesitate to contact me if you have any further questions.

Respectfully submitted,

Brian R. Turner, Esq.  
Western Office
